Relevant CPSC requirement / safety issue

Final decision: RED — DO NOT EXPORT TO THE UNITED STATES

15. EVE AUTHORISATION

Completed by _____	**Position** _____
Date _____	**Final status** _____
Authorised by _____	**Authorisation date** _____

EVE COMPLIANCE NOTE

Vintage does not automatically mean exempt. Vintage does not automatically mean prohibited.
Each US-bound item must be assessed according to its age, construction, intended use, condition and any CPSC requirements applicable to that particular product.

WHEN IN DOUBT: STOP. CHECK. RECORD.
Do not ship an unresolved AMBER item. Do not export a known recalled, unsafe or non-compliant item.

Document: EVE US Export Record | Version 1.0 | Effective September 2026
